Title of Proposed Innovative Teaching Project _____

Date of Application _____

Please provide the following information about your proposed project.

1. Description of Project:

What is the purpose of your proposed project? In what course(s) will you implement your project? How does your project tie in with the objectives for your course or major or with the general education objectives of the college? How and why do you think this project will foster engaged learning?

2. Timeline for the Project:

What steps will you take to plan and implement your project? When will these steps occur?

3. Budget:

 \$ _____ from CETL funds (up to \$3,000)

Itemized Expenses:

 \$ _____

 \$ _____

 \$ _____

 \$ _____

 \$ _____

Budget Rationale: Have you requested funds for these items from another source?

Why is it appropriate to request these funds from CETL rather than from your department or another source?

4. Assessment

How will you know if your project is successful? How will you measure the impact of your project? What evidence of student learning and/or teacher change will be gathered and analyzed during the project? What evidence will you have that the project is reaching its goals?

5. Professional Growth

How will this project help you to grow as a faculty member?

6. Making Results Public

What plans do you have for sharing the results of your project? What might be appropriate ways to “go public” with this project on and beyond Greensboro College’s campus?

Please feel free to contact the CETL Director if you have questions about the application process or would like to discuss ideas for innovative teaching.

I/We agree, as a recipient of Innovative Teaching Grants, that I/we will share the results of my/our projects with other faculty at Greensboro College through an oral presentation, written summary and/or web publication at the end of the grant period of one year.
